Thus top three **PCT** value getters among the second-best team(s) from all the groups in the League stage shall qualify for the knock -out stage. In case, more than three schools score equal number of **PCT** in the League stage, then top three teams shall be chosen based on the '**RpW**' ratio / quotient in accordance with the following procedure:

Runs per Wicket ratio, also known as **Quotient** method is the number of runs scored per wicket lost, divided by the number of runs conceded per wicket taken.

$$\text{RpW ratio} = \frac{\text{total runs scored}}{\text{total wickets lost}} \div \frac{\text{total runs conceded}}{\text{total wickets taken}}.$$

$$\text{RpW ratio} = \frac{\text{total runs scored} \times \text{total wickets taken}}{\text{total runs conceded} \times \text{total wickets lost}}.$$

In other words, "The batting average for a School shall be obtained by dividing the total number of runs scored by the total number of wickets lost. The batting average against the school shall be obtained by dividing the total number of runs scored against it by total number of wickets taken, the former shall be divided by the later to obtain the quotient. The school having the higher quotient shall be placed above the schools having lower quotient.

If the average is the same after going through the aforesaid process, then the top three, out of the second-best team(s) from all the groups in the League stage, shall be determined by "Draw of lots" to be arranged by the Hony. Secretary of the Association amongst the teams securing equal points and equal quotient thereof."

- In the knock- out stage, the team scoring the higher runs shall be declared as Winner after completion of the **minimum no. of stipulated overs** . (Minimum full 20 overs each side for all the pre- quarter finals, quarter final matches and minimum full 40 overs each side for all the semifinal matches and the final match)
- All the pre- quarter finals, quarter final matches shall consist of 45 overs (six balls per over) per innings per team whereas all the semifinals and the final match shall consist of 85 overs (six balls per over) per innings per team unless a team gets 'All Out' in earlier than the **maximum no. of overs so stipulated** or the match is interrupted due to inclement weather or due to any unforeseen circumstances or act of God.
- If both the teams did not have the opportunity of batting at least for the minimum no. of stipulated overs, (Minimum full 20 overs each side for all the pre -quarter finals, quarter final matches and minimum full 40 overs each side for all the semifinal matches) then initially the match will be replayed. If the replayed match cannot be concluded by giving opportunity of batting at least for the minimum no. of stipulated overs to both the teams, then the result of the match shall be determined by the spin of coin within 15 minutes of the declared closure of the match in presence of match Observer and/ or match umpires.
- The result of the championship final match shall be decided only through play and **Not based on the spin of coin** .
- The day-night pink ball final match of the tournament will be played at the Eden Gardens over the span of couple of days.
